

Instructions for printing information cards

If you have any trouble, please drop a note to booking@davidlamotte.com.

1. Download the pdf of the gig information card from www.davidlamotte.com.
2. Print as many as you like, double-sided with the same image on both sides of an 8 1/2 x 11 sheet of paper. We recommend card stock rather than plain paper.
3. Cut the cards vertically in the middle of the page, so that you end up with 4 1/4 x 11 cards with different text on each side.
