2. My friends come visit on the S.S. Bathtub, They arrive on water skis
Some are dolphins and some are whales, And some are manatees
The fish that swim under the S.S. Bathtub, Know all their ABCs
They study hard in their school of fish, Then they go and catch some Z's

3. For dinner on the S.S. Bathtub, We all eat mac & cheese
I don't use salt and I don't use pepper, 'Cause I don't want the whales to sneeze
We love to play on the S.S. Bathtub, With our blocks and our frisbees
We make up songs and we put on plays, And we never watch TVs
